

# Do you want to join in our quest - a quest to make the world's perfect energy source?

Please come along to our  
**Recruitment  
Fair**  
**Tuesday  
22 October 2013**

As CCFE's director, Professor Steve Cowley, puts it:  
"Fusion energy is an amazing thing; if we can make  
it work we will power the planet forever with fusion."

We have opportunities available and welcome  
applications from people who wish to join us in  
this exciting goal.

Meet staff, discuss job opportunities and  
have a tour of key areas of the Fusion site

**16:30 to 20:00**

We currently have the following positions:

Mechanical Engineer, Services Engineer,  
Electrical/Mechanical Technicians,  
Vacuum Engineer, Physicist, Project Engineer  
Electrical/Electronic Engineer,  
Control & Instrumentation,  
Computing

If you do not see a vacancy that currently  
interests you please send us your CV as  
there are other possible opportunities  
at CCFE.

To confirm your place please contact  
Alanna O'Connor Tel: 01235 466831  
Email: [alanna.o'connor@ccfe.ac.uk](mailto:alanna.o'connor@ccfe.ac.uk)
